Learning Pathway: Year 3 Term 2

Enquiry Question: How did things change in Britain from the Stone Age to the Iron Age?

Enquiry Overview: *This term, we travel back in time to discover life in the Stone Age, the Bronze Age and the Iron Age. We will explore questions such as: How did life change, progress and develop over time? How did these changes shape our world today? Why is it challenging to learn about these periods? We will also enjoy plenty of art and design technology throughout the term! Our trip to Stonehenge is TBC, and we will confirm the date once it has been finalised.*
